This year also marks the return of the player ratings system introduced in FIFA 19 to Fifa 22 Cracked Version, with a revamped FIFA Ultimate Team system. The latest game brings the following improvements and gameplay improvements: Create-A-Club — Players can now create their own player and customize them with new training methods, custom kits and signature player moves. Player Ratings — New ratings system and increased excitement for football matches, with more changes to player ratings, position-specific ratings and Player Master AI. Player Trade Offers — Bring the blockbuster trades to your team with new trade offers now in-game. Player Squad Builder — Starting with a player weight of 70kg, you can now build your squad one at a time. Improved player AI — More unpredictable actions in defending, pressing and ball control. New Create-a-Style — New create-a-style and create-a-player mean that players now

have a huge range of custom styles to choose from. Improved Kick Creator — Put the ball exactly where you want it to go, and use contextual cues like wall, post, or player to ensure a crisp and realistic shot. Improved Attacking Features — Improved control over formations, more space for your players and more variety in the final third. Improved Team Soccer — Introduces a Team Soccer mode. Developer Commentary — Commentary by Peter Huljat and Daniel Chong now available during all game modes. Improved User Interface — You can now adjust camera angle and depth, and zoom in to watch next to the action. FIFA 22 Ultimate Team is the first FUT game to support the new create-a-player system and the new create-a-style system, allowing players to create their own fantasy styles and playstyles and personalize their player collection. Create-a-style gives players even greater control over how their players look, resulting in even more variations and new looks for the players to choose from in FUT. Players can change the shirts and kits of the six players they select to play with, and determine what their ideal roles are in their new roles. Additionally, players can also build a Team Soccer mode and play with up to seven friends on FIFA 22's new Team Soccer Mode - a first for FIFA. FIFA 22 will be available on October 27, 2017, exclusively on PlayStation 4. For more information about FIFA 22, please visit: www.fifa.com/22 or

Over 10 million downloads and counting, FIFA Ultimate Team delivers true-to-life player behaviours and authentic user-generated content. Play your way by discovering new and exciting ways to build your team using real-world tactics and game-changing technologies. Become your Pro with the freedom to play any way you choose. Collect, trade and upgrade millions of real-world players and ballers to create your dream squad. Track your progress as you attempt to become a real-life FIFA Pro. Then upgrade and fine-tune each of your players' stats to see who's best on the pitch. Real-World Scouting - Get the latest and most accurate data about where the world's best footballers play, including their preferred playing styles, tendencies, strengths and weaknesses. Free Roam - Place your best-suited sticker on the pitch and send your players on runs. Experiment with

formations and formations-based tactics that work like real football. Goalkeeper Masterclass - Train and develop the perfect goalkeeper. Start with a new skills and tactics trainer and then dive into the Keeper Masterclass to learn about everything you need to know about goalkeeping. New Passing and Shooting Techniques - Fine tune your shots and passes into a shot, a fake shot, a pass, a ricochet, or a simple short pass to a teammate. Change your approach entirely and take shots on yourself, learn to bend your shots, and step closer or farther from your shot, before you hit the sweet spot. New Passing Cues - Authentic cues can appear when you receive an assist, successfully complete a skill with the precision ball or score. This new feature brings to life the most realistic, compelling dribble and pass cuing in FIFA and celebrates everything that makes Ultimate Team fun. I like to play the Portuguese manager. I know he's a legend in the football world (he used to have his own team back in the 80's), and back then, in the 90's, I used to watch a lot of football games, and I really enjoyed playing as the Portuguese. This is why I decided to follow him from my FIFA career to now, in this game. My main characteristics Full control: I'm a very intelligent manager, since my years as a football player I always had a good control over the whole game. But that's not all. I have the technical skills as well,
